THE STATE OF NEW HAMPSHIRE  
TOWN OF HINSDALE  
TOWN WARRANT

To the inhabitants of the Town of Hinsdale qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall on Tuesday the 14th day of March, 1995 at 10:00 o'clock in the forenoon to act on the following subjects:

**Article 1** To cast your ballots for all necessary Town Officers.

**Article 2** To see if the provisions of Chapter 287-E of the revised law relative to playing games of beano and the sale of Lucky 7 tickets shall be adopted at this time.

**Article 3** Are you in favor of the adoption of amendment no. one as proposed by the planning board for the town zoning ordinance as follows: add Article IX, "Planned Unit Development Ordinance", and renumber existing Article IX, "Administration and Enforcement", to Article X.

**Article 4** Are you in favor of the adoption of amendment no. two as proposed by the planning board for the town zoning ordinance as follows: Amend Article VI, "Flood Plain District", item I, definitions, to include "Manufactured Home Park Or Subdivision", "New Manufactured Home Park Or Subdivision", "Existing Manufactured Home Park Or Subdivision", "Expansion To An Existing Manufactured Home Park Or Subdivision", "New Construction". also include "and Floodway" to Item VIII, paragraph I.b. all Flood Plain District amendments are required to comply with federal regulations.

Polls open on the above articles at 10:00 a.m. and shall not be closed earlier than 7:00 p.m.

The following part of the Town Meeting will be adjourned until Saturday, March 18, 1995 at 9:00 o'clock in the forenoon in the gymnasium of the Hinsdale High School.

**Article 5** To see if the town will vote to raise and appropriate the sum of \$1,399,159 (One million three hundred ninety-nine thousand one hundred and fifty-nine dollars) for the general operating expenses of the Town, or to act in any manner thereon.

- Inserted by Selectmen
- Recommended by Selectmen
- Recommended by Budget Committee

**Article 6** To see if the town will vote to raise and appropriate the sum of \$500,000 (Five hundred thousand dollars)(gross budget) for the demolition, environmental cleanup, engineering fees, and purchase of the former Hinsdale Products Property (also known as the former Erving Paper Mill), and said sum to be in addition to any federal, state or private funds made available therefor, and to authorize the issuance of not more than \$500,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (2/3 ballot vote required)

- Inserted by Selectmen
- Recommended by Selectmen
- Recommended by Budget Committee

**Article 7** To see if the town will vote to appropriate the sum of \$202,463 (Two hundred and two thousand four hundred and sixty-three dollars) for the operations of the Water Department, the funds to be paid by users fees, or act in any manner thereon.

- Inserted by Selectmen.
- Recommended by Selectmen
- Recommended by Budget Committee

**Article 8** To see if the town will vote to appropriate the sum of \$173,573 (One hundred ,seventy-three thousand five hundred and seventy-three dollars) for the operations of the Sewage Treatment Plant, the funds to be paid by users fees, or act in any manner thereon.

- Inserted by Selectmen
- Recommended by Selectmen
- Recommended by Budget Committee

**Article 9** To see if the town will vote to raise and appropriate the sum of \$42,000 (forty-two thousand dollars) for a complete revaluation of all utility property.

- Inserted by Selectmen
- Recommended by Selectmen
- Recommended by Budget Committee

**Article 10** To see if the town will vote to raise and appropriate the sum of \$30,000 (Thirty thousand dollars) for the purpose of adding to the capital reserve fund established at the 1993 town meeting for the purpose of purchasing a new piece of fire apparatus for the Fire Department, or act in any manner thereon.

- Inserted by Selectmen
- Recommended by Selectmen
- Recommended by Budget Committee

**Article 11** To see if the town will vote to authorize the selectmen to raise and appropriate the sum of \$12,000 (Twelve thousand dollars), (not to exceed \$19,000 (Nineteen thousand) annually) for the first year's payment for the purpose of entering into a five year lease -purchase agreement for the purpose of replacing the Highway Department's front-end loader, and leasing and purchasing a new front-end loader for the Highway Department.

- Inserted by Selectmen
- Recommended by Selectmen
- Recommended by Budget Committee

**Article 12** To see if the town will vote to raise and appropriate the sum of \$10,500 (Ten thousand five hundred dollars) for engineering and design purpose for the conceptual landfill closure plan at the Town of Hinsdale's Landfill.

- Inserted by Selectmen
- Recommended by Selectmen
- Recommended by Budget Committee

**Article 13** To see if the town will vote to raise and appropriate the sum of \$8,800 (Eight thousand eight hundred dollars) for the purpose of and replacing air packs for use by the Fire Department, or act in any manner thereon.

- Inserted by Selectmen
- Recommended by Selectmen
- Recommended by Budget Committee

- Article 14** To see if the town will vote to purchase fourteen (14) bullet proof vest for the Police Department and to raise and appropriate the sum of \$8,400 (Eight thousand four hundred dollars) for this purpose.
- Inserted by Selectmen
  - Recommended by Selectmen
  - Recommended by Budget Committee
- Article 15** To see if the town will vote to purchase two (2) video cameras for cruisers for the Police Department and to raise and appropriate the sum of \$7,500 (Seven thousand five hundred dollars) for this purpose.
- Inserted by Selectmen
  - Recommended by Selectmen
  - Recommended by Budget Committee
- Article 16** To see if the town will vote to raise and appropriate the sum of \$2,300 (Two thousand three hundred dollars) for the purpose of radio replacement for the Fire Department, or act in any manner thereon.
- Inserted by Selectmen
  - Recommended by Selectmen
  - Recommended by Budget Committee
- Article 17** To see if the town will vote to purchase one (1) computer and various compact disk for the Library and to raise and appropriate the sum of \$2,000 (Two thousand dollars) for this purpose.
- Inserted by Selectmen
  - Recommended by Selectmen
  - Recommended by Budget Committee
- Article 18** To see if the town will vote to eliminate the position of Town Administrator or act in any manner thereon.
- Article 19** To see if the town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the town for any public purpose, pursuant to RSA 30:95-e. The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the town to raise, appropriate, or extend any public funds for the operation, maintenance, repair, or replacement of any such personal property.
- Article 20** To see if the town will vote to confirm the authority of the Selectmen to dispose of obsolete town equipment, the revenues from the sale of such obsolete equipment to be used to help reduce the amount of assessed taxes.
- Article 21** To see if the town will vote to allow a 3% discount for the first 30 days after the tax bills are mailed on the payment of taxes in full, or act in any manner thereon.
- Article 22** To see if the Town will authorize the Selectmen to contract for and accept aid relative to disasters.
- Article 23** To see if the Town will allow the Tax Collector to accept prepayment of all taxes, with a warrant from the Selectmen.

**Article 24** Shall the town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to issue tax anticipation notes?

**Article 25** To see if the town will vote to accept and adopt the reports of the Selectmen, Auditors, and other Town Officers.

**Article 26** To see if the town will vote to increase the tipping fee at the town landfill from \$1 a cubic to \$10 a cubic yard, or act in any manner thereon.

**Article 27** To transact any other business that may legally come before this meeting.

Given under hand and seal in said Hinsdale this 20th day of February 1995

45 Market Street  
Manchester, New Hampshire 03101  
(603) 622-7070

To the Board of Selectmen  
Town of Hinsdale, New Hampshire

We have audited the general purpose financial statements of the Town of Hinsdale, New Hampshire as of and for the year ended December 31 1993, and have issued our report thereon dated March 4, 1994.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Hinsdale, New Hampshire for the year ended December 31, 1993, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Hinsdale, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories:

## **ACCOUNTING APPLICATIONS**

- Budget
- Cash and investments
- Revenue and receivables
- Service revenue and receivables
- Expenditures for goods and services  
and accounts payable
- Payroll and related liabilities
- Property, equipment, and capital expenditures
- Debt and debt service expenditures

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

We noted certain matters involving the internal control structure and its operation that we consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the entity's ability to record, process, summarize, and report financial data consistent with the assertions of management in the general purpose financial statements.

## **TAX COLLECTOR DEPOSITS**

### **Observation**

During our audit, we noted that tax payments are not being deposited with the financial institution on a timely basis. We noted several instances in which payments were received in the tax office but not deposited for a period of up to two weeks after they were received.

### **Implication**

As a result, the controls over cash are weakened. The Town is exposed to additional risks of checks being misplaced or stolen. As the checks are not deposited with the financial institution, the Town is also not earning interest on these funds.

### **Recommendation**

We recommend that deposits be made more frequently. Deposits should be made after payment is received to reduce the risk of misplacement of the checks. The computer system should be updated daily with the day sheet being reconciled to the bank deposit. The Town will benefit with the availability of the funds and additional interest earnings.

## **TAX COLLECTOR'S REPORT**

### **Observation**

The tax collector's report was not reconciled to supporting documentation or to the treasurer's records. The computer system does not contain all receivables as some continue to be maintained manually, yet these were not included on the tax collector's reports. The uncollected taxes and unredeemed lists, abatements and remittances were not reconciled to the tax collector's report.

### **Implication**

The activity in the tax collector's office was not accurately reflected in the tax collector's reports. Additional audit time was necessary to reconcile the computer generated reports and the manual records to the supporting documentation, such as abatements, deeded property, remittances to the Treasurer and uncollected lists. We were able to reconcile the activity with immaterial variances.

### Recommendation

The computer and manual records should be reconciled on a monthly basis. All information that has been processed should be reconciled to detect any errors that may have been made. The reports will then reflect an accurate summary of all tax activity.

\*\*\*\*\*

A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above. However, we believe the reportable conditions described above constitute material weaknesses in internal control.

We also noted other matters involving the internal control structure and its operations that we have reported to the management of the Town of Hinsdale, New Hampshire in a separate letter dated March 4, 1994.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record and its distribution is not limited.

## REPORT FOR THE LIBRARY - 1994

This year was my first year as librarian in Hinsdale. I have spent this year getting to know you and your various interests.

The children's summer reading program for 1994 had the theme, "Go Undercover With Books". We had a small group enjoy the summer reading within the program. The program party started with a tour to the police station in town. Chief Whittle gave the tour and answered many questions. We then went to the town hall for certificates and food. We hope to see many more children participating in the 1995 summer reading program.

Circulation has dropped drastically this past year. We are looking for the factors that may have caused this reduction.

The library has purchased a collection of beautiful, up-dated state books for the elementary school age children. We have recently purchased a copier for your convenience. The cost is 10 cents per page. There are new titles arriving monthly for your reading pleasure and we have plans for additional equipment in the library.

We are working on some new policies. A new overdue book policy has been approved by the trustees. The books will be lent out for a two week period. They may be renewed in person or by calling on the telephone. If a book is one week overdue, the patron will receive a telephone call as a reminder. If a book is two weeks over-due, the patron will receive a letter asking him/her to return the book(s) within seven days and pay the normal fine of 5 cents per day per book. If the book(s) is not returned within seven days, the fine is \$1.00 per book. If the book is lost, the patron will be asked to pay the cost of the book.

There is interest in starting a Friends of the Library group. We hope to get this initiated in 1995.

The membership has increased with many people coming in to get new library cards.

I have circulated a questionnaire for your input into the library. We can acquire inter-library loans for books and materials that are not currently on our shelves. We are here to serve you! come visit your public library.

John F. Bamberger, Librarian Hinsdale Public Library

## ANNUAL REPORT OF THE HINSDALE CONSERVATION COMMISSION

In January of 1994 the Conservation Commission began gathering information to be part of a mailing to all residents of the town of Hinsdale. This mailing will be part of the criteria required for State approval of the Town adopting the Wellhead Protection Program. At this time the material is all assembled and we are awaiting State approval of the information, as soon as this is received the mailing will be sent out.

The group, once again planted annuals and some perennials near the Post Office, and the half barrels of flowers were placed at various locations on Main Street for the summer.

The granite stone with bronze marker was completed and placed on Canal Street at the location of the Granite State Mowing Machine Co. The plantings at that location have taken a hold and are growing nicely.

The Commission was given information that there were two households that were not connected to the town sewer and whose effluent was being discharged directly into the Ashuelot River. We notified the Selectmen, who were already working on the problem.

We were notified of the permits being sought by Norman Bergeron for a marina on the Connecticut River. Also, a rip rap project on the Ashuelot River at the Greg Pelloni property was completed.

Respectfully submitted,

Anne Dominick  
Sharron Smith  
Bernard Mathewson  
Fred Wolfe  
Gordon Schofield  
Cheryl Piquette  
Barbara Fostyck  
Beryl Kendrick

REPORT OF THE  
WANTASTIQUET REGION CONNECTICUT RIVER SUBCOMMITTEE  
ANNUAL REPORT - 1994

The Wantastiquet Region River subcommittee of the Connecticut river Joint Commissions has met monthly to work on its river corridor management plan and to advise the states of NH and Vt. the federal government, and the Joint Commissions on local matters affecting the River.

The advisory group, formed in January, 1993, under the NH Rivers Management and Protection Act, includes riverfront towns from Walpole to Hinsdale, NH and Westminster to Vernon, Vt. By law, members represent: local government, local business, agriculture, recreation, conservation, and river-front landowners. The Subcommittee is advisory and has no regulatory powers. The Town appointed Sharron H. Smith and Gordon Schofield as its representatives.

This year the Wantastiquet Subcommittee met with the owner of the proposed Hinsdale marina and provided comment to the State of NH, recommending marine patrol enforcement of existing boat speed limits and safety requirements. Boat traffic is required to slow to headway speed when within 150 feet of shore or another boater. To assist the Joint Commissions in educating local boaters, Subcommittee members distributed information and posted signs. The Connecticut River is considered the most vulnerable waterway in all of New England for zebra mussel, and the Subcommittee asks all boaters who have visited New York or Lake Champlain to discard bait at home and allow their boats to dry for 48 hours before launching in the River, to avoid bringing these hitchhiking pests into the watershed.

The Subcommittee met with water quality experts from Vt and NH to discuss the newly-released Bi-State Water Quality Assessment, and to apprise the states on local priorities for water quality improvement. The Subcommittee also reviewed several permits for bank stabilization, and encouraged riverfront landowners to consider vegetative plantings and other alternatives that are less intrusive than rock riprap. Members contributed information on boat launches and private campsites for a new computer-based inventory of in stream features that has been provided by the Joint Commissions to each town. the inventory, along with G.I.S. maps of the river segment, will be useful in the Subcommittee's planning process. With assistance of the Southwest Regional Planning Commission, the Subcommittee is comparing river-related regulations and master plan guidance already on town books.

REPORT OF THE  
WANTATIQUET REGION CONNECTICUT RIVER SUBCOMMITTEE  
ANNUAL REPORT - 1994  
PAGE 2

In August, the Subcommittee scheduled a river trip on the Belle of Brattleboro to view the riverbank and identify potential non-point pollution and erosion sites.

The Subcommittee meets on the fourth Wednesday night of the month from 7-9 p.m. at the Westmoreland Town Hall. All meetings are open to the public, and the Subcommittee encourages townspeople to attend and contribute their ideas.

Respectfully submitted,

Sharron Smith  
Gordon Schofield

## POLICE DEPARTMENT ANNUAL REPORT

This year has been quite a busy year for our Department. It has included some very positive events. One was the addition of part time Patrolman Edward J. Wilson, Jr. into the ranks of the full time Officers. Another was the training and certification of Patrolman Christopher K. Roberts as a D.A.R.E. Officer.

Burglaries and child abuse/neglect show a decline but crimes such as criminal mischiefs and assaults continue to rise. Our accident rate has shown an increase of approximately 15% and driving while intoxicated offenses have increased approximately 40%. After a decline last year of juvenile cases they were once again on the rise this year.

We also saw the end of an era, the closing of the Hinsdale Municipal Court. The Department's cases all go to Keene District Court now. With help from personnel at the Keene District Court and some adjustments from our Department, the changeover has gone quite well.

I would like to thank the citizens of Hinsdale, the Board of Selectmen, the Budget Committee and the Town Administrator for their continued support and assistance in helping our Department to become more efficient in serving the community.

Respectfully submitted,

David M. Whittle  
Chief of Police

## RESCUE INC.

During the past year it has been a privilege for the Members of Rescue Inc. to serve the citizens of Hinsdale.

Throughout 1994 Rescue Inc. has been able to assist the citizens of Hinsdale in many ways.

Since July 1, 1994 we have been able to offer Advanced Life Support Paramedic coverage 24 hours a day to supplement coverage already being provided for many years by our EMT's and Basics.

During 1994 Rescue Inc. responded to 161 emergencies in Hinsdale. Many times we were assisted by the Hinsdale Police and Fire Departments.

When asking for funds from each community it has always been a sincere concern of our Membership not only to satisfy Rescue Inc's financial needs but to also consider very carefully the economic impact our request would have on each community we serve.

With these considerations in mind, and very careful handling of our finances we have been able to level fund all communities we serve for four straight years. This year, Rescue Inc's Board of Trustees is pleased to make the following announcement:

For fiscal year 1995/96 Rescue Inc. will reduce our financial request to each community by 10%.

Our members also want to inform each community that we have Members available for instructing CPR classes, First Aid classes, tours of our vehicles and headquarters, plus free blood pressure checks seven days a week.

We also extend our sincere thanks to everyone in the community for the many financial gifts and expressions of support we have received throughout the year.

Smoky Smith  
Representative to Rescue Inc. from Hinsdale

Custodian:	\$7.50
SCBA Maintenance	7.50
Truck Maintenance	7.50
Truck Mechanic	10.00

STATE OF NH DEPT. OF RESOURCES & ECONOMIC DEV.  
DIVISION OF FORESTS AND LANDS

Report of Town Forest Fire Warden and  
State Forest Ranger

In calendar year 1994, our three (3) leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

Fire Statistics	1994	Average 1990-1993
Number of Fires Reported to State for Cost Share Payment	283	443
Acres Burned	217	246

Suppression Cost = \$90,000.+

Fires Reported by Lookout Towers (1994)

Fires Reported	588
Assists to Other Towers	363
Visitors	21,309

Fires Reported by Detection Aircrafts  
89

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

"REMEMBER ONLY YOU CAN PREVENT FOREST FIRES"

Robert B. Stewart  
Forest Ranger

Robert J. Johnson  
Forest Fire Warden
